Please note: Prior to testing, contact your insurance company for participating facilities and to inquire if authorization is needed. It is also important to call the facility to determine if specific services are offered at that particular location (i.e. CT scans, MRIs, pediatrics blood drawing, etc.) After testing is done, contact our office so we can follow up with the appropriate facility. If you require any assistance, please contact our office and we will be more than happy to assist you.
